## Winter Camp 2005 @ Camp Mallana!!

The ICA Team has been busy preparing for our upcoming Winter Camp which will be held from Mon 4th July till Thurs 7th July - the second week of the school holidays!

We have a new camp venue which is located about 30 minutes from Bairnsdale on the Duck Arm peninsula. The camp site sleeps 50 people (so places are strictly limited!!) and is super comfortable with separate (and heated) sleeping cabins, an open fire place, heaps of bush plus a massive lake with loads of fish!

Plus the kitchen has a dishwasher!!

The camp program will include a re-match of the Leaders v. Kids AFL Match (Mike will NOT be umpiring!), Mountain Bike Riding, Caving, Bush Cooking, Fishing and our very own "My Restaurant Rules"!! Also we have the latest movies for a Film Night and a few other surprises as well!

Our Leaders are getting finalised but there are a few new faces - and a few old ones as well (sorry about that Ben & Jase!!)

Survivor Pride is on the line...can Kewell retain the shield...or will Jordan or Camplin win the coveted prize??

## Nick Hooker - ICA's Latest Buddy Leader

ICA has recognised the natural leadership qualities and skills which have emerged within some of the kids who have attended our camps over the past two years - and they have been invited to join the Buddy Program when they turn 16. Nick Hooker has

consistently demonstrated these leadership qualities and is dedicated to the aims of InterConnection.

*Congratulations Nick and we are all excited on having you as part of our leadership trainee Program!!*

*Nick joins Jocelyn, Kane, Vinh & Daniel as a Buddy!*
